

**Hello,**

**My name is Angel Zhelyazkov. I'm UI/Web developer with more than 10 years of experience, working with major brands, operating on the European market.**

What can I do for you?

Polished web products both as functionality and user experience. All details matters -that's my motto. What do I mean by "web products", well, products like: landing/promo pages, promotional campaigns, complete web sites, micro-sites, email newsletters, banners and all kind of social media marketing materials, web design, converting already done web design to functional web site, and many more.

Skillset

Possessing all those skills allows me to craft beautiful and polished products for web as: landing pages, promotional campaigns, web sites and portals, email newsletters, social media marketing materials.
